TO WHOMSOEVER IT MAY CONCERN

This is to state that Indian Institute of Management- Kozhikode has subscribed to the India Business Insight Database for the past 5 years starting from 2014.

India Business Insight database is a compilation of vital information on Indian business and industry from various business magazines and newspapers and the information is captured from more than 325 sources.

We find this database a very useful research tool for our students and faculty members in their class room studies, business information and analysis for making informed decisions.
